

Fifth Grade Tiles Update

****for those who have purchased a tile****

The tile design & paint was scheduled in April and due to school closure, it needed to be postponed. Mrs. Spencer and the PTO want the fifth-grade class of 2020 to be represented on the wall next to the class of 2019.

We will reschedule the design & paint for some time in the future (possibly during summer or next school year) depending on the guidelines for safety and when glazing supplies can be borrowed from the ceramic painting company.

We will contact you when a new date is determined and also list updates on the Paloma webpage <https://palomaelementary.smusd.org/>

Thank you for your patience and understanding during this time. If you have any questions, please email ptopaloma@gmail.com.
