

Panther Pledge 2018-2019

You CAN help make a
DIFFERENCE

Lend your support in ONE (or all!) of
these 3 ways:

Your donation will provide teacher support in **every grade**, technology upgrades, special events, assemblies and more. California's public **education** system is facing severe budget **constraints** and your assistance allows **our children** the opportunity to **benefit** from a **comprehensive elementary school experience**. The Paloma PTO spends an average of **\$150 per student** to provide valuable enrichment programs throughout the school year. With **your generosity**, and that of others throughout our **community** and network of friends and family, we can continue to provide the needed funds to sustain these **vital programs**.
